

Employment Discovery Toolkit Training

Overview:

ODEN's Employment Discovery Toolkit Training is designed for direct support workers (DSW), personal support workers (PSW), family members, students or anyone who plays a role in a person's support network.

Learning Objectives:

- Learn about the employability of the people you support who have a disability; how to take an employment first approach; and why employment is considered the gold standard for inclusion.
- The Do's and Don'ts of employment support and how you can have an impact on people's employment goals.
- How to support employment goals and get to know people using employment discovery tools to create an employment profile.

Audience:

This training is appropriate for transition co-ordinators, family home and respite workers, supported living/residential staff, community participation support staff, and DSW and PSW students.
