SKILLS GROW ECONOMIES

DISABILITY INCLUSION FUELS THE GROWTH

1 in 4
Canadians

(Over **8M** people)
have a disability.¹

Talent is available

More
than **741,000**

Canadians who have a disability
had the potential to work but
were not employed.²

**Skills shortages are affecting
business growth**

63% of employers

identify skills gaps as the biggest
barrier to business transformation
between 2025 and 2030.³

**Skills are being
overlooked**

71%

of employers not
hiring people who
have a disability cite
a lack of awareness
of their skills.⁵

**Disability inclusion strengthens
business performance⁴**

Companies leading in disability
inclusion report:

- **2.6x** higher net income
- **1.6x** higher revenue
- **25%** higher productivity
